## Important Customer Information

### Notification of Packing Specification Change

Dear customer;

First and foremost, thank you very much for your continued business. We are committed to continue to deliver quality products to you.

With this letter we inform all Watec customers that we are initiating the following changing process for the specification of packing.

1. Watec cameras to be regulated:

ALL Watec cameras starts with "WAT-", or "W-"

2. Specification change regarding operation manual

The operation manual attached to each package will be abolished for environmental protection. When you need the manual, you can download it from our website.

3. Schedule

- Applied the above to the cameras which will have been manufactured since on April 16<sup>th</sup>, 2018.
- Please note that we will switch automatically as soon as stock runs out.

Please feel free to contact us when you have any questions or when you need further information. Our sales team will support you optimally.

Sincerely,

Watec Co., Ltd.
